OUR VISION

UniHill Kids shares the vision of UniHill Church: Reach, Raise Up and Release.

Reach

Reaching children with the word of God.

Raise up

Raising them up in their faith, into all God has called them to be.

Release

Releasing them into their God-given calling.

Training for life

That's UniHill Church's mission. We believe God wants us to grow in every part of life, so we can live well at home, at school and in our community. At UniHill, that training starts with our kids, and it's built on Ephesians 4:11-12: equipping God's people for the work He has for them.

PROGRAMS

Something for every age

Each program is designed for its age group, from bubbles and rhymes for toddlers to real talk for our oldest kids.

Ages 1-2

Tiny Tikes

A relaxed, creche-style space where little ones play freely with our leaders close by. Expect simple stories, rhymes and plenty of bubble time.

Ages 3-5

Tikes

Our preschool program is built around a Bible theme, usually with a story, a song and a craft. Kids learn simple truths from the Bible through activities that help them remember, with plenty of time to play and make friends.

Prep – Grade 4

UHK Jr & UHK

Themed sessions where kids hear a Bible story, learn a Power Verse and discover how it applies to their lives. Class games and hang-out time afterwards help them build real friendships and grow closer to God.

Grades 5–6 · Weekly

REV Junior

Our pre-youth program, all about friendships, exploring the Bible and honest conversations about following Jesus, plus some old-school games. It also gets them ready for the move up to REV Youth.

Ages 3–12 · Fortnightly

InclUHK

Our newest class, a welcoming and supportive space for kids with diverse neurodevelopmental needs. Same heart for Jesus, with a more flexible, individual approach so every child can engage and thrive.

We encourage families to send a snack with their kids.

We're nut free

All of our program areas are nut-free zones, so please leave nuts at home.

Stay while they settle

For our younger groups, you're welcome to stay with your child for as long as they need to feel at home.

MEET THE TEAM

Hi, I'm Ps Justin.

I'm married to the lovely Chloe, and I've spent more than 10 years working with kids and youth. It's a real privilege to see the next generation grow in the things of God.

I'm passionate about creating a space where children discover who God is, grow in their faith, build meaningful friendships and, most importantly, have fun along the way. I also love seeing young people reached for God and finding their purpose in Him.

I get to work alongside a great team. All of our volunteers are screened, and we're committed to keeping UHK a safe place for every child.

OUR COMMITMENT

Every child has the right to feel safe and be safe.

Children and young people in any of our activities should receive the highest possible standard of care and protection. In everything we do, we look out for their wellbeing and development, and we're committed to protecting children, young people and the vulnerable from all forms of abuse.

UniHill Church has a zero tolerance of abuse. We're committed to being an agent of healing and justice, and we're working hard to build a culture where children are nurtured and protected while in our care.

We have policies and procedures for the safety and protection of children and youth that all staff and volunteers must follow. Every staff member and volunteer is screened and trained, and each is responsible for supporting the safety, participation, wellbeing and empowerment of children.

Most of all, we're passionate about raising a Godly generation, and we'd love to partner with you to develop strong Christian disciples who follow Christ into adulthood.

Got questions? We'd love to hear from you.
